

# Detecting the Evidence

The School of Health at The University of Northampton in association with the Centre for Health and Wellbeing is presenting the 1st Nursing & Midwifery Research Conference '**Detecting the Evidence**'

**Thursday April 2, 2009**  
**Sunley Management Centre**

## Conference Details

The conference aims to both develop and disseminate research from within nursing and midwifery practice and education, as well as providing an opportunity to network with others who are currently or wish to become involved in research.

## Conference themes:

- Practice- based Research
- Education and Research
- Contemporary Approaches to Research
- User and Carer involvement in Research

## Keynote Speakers:

**Professor Hugh McKenna OBE**  
University of Ulster

**Professor Dawn Freshwater**  
University of Leeds

**Professor Soo Downe**  
University of Central Lancashire

## Call for Abstracts

Abstracts are invited for both papers and posters which are related to one or more of the conference themes.

**Deadline for abstract submission Friday, 16th January 2009**

As the focus of the conference is research, all abstracts submitted must relate to either a proposed, ongoing or completed research project or a research related issue. For guidelines and submission details, please refer to the website below:

## Conference Fees

£50.00 for all external participants

Free to Northamptonshire Primary Care Trust staff, School of Health staff and PhD Students
